### Introductory note

#### This introductory note does not form a part of the notice

The following notice gives notice of the variation of an environmental permit.

The existing bespoke permit for material recycling facility is to be varied to increase annual tonnage limit from 100,000 to 150,000 tonnes per annum.

The schedules specify the changes made to the original permit.

The status log of a permit sets out the permitting history, including any changes to the permit reference number.
